

Good Evening,

Going back a few years when I first ordered Tonkinois as a test on Grandeur of the Seas as Chief Officer.

This was a great success on that vessel and since our company has ordered plentiful of varnish from you.

I now have some questions again. Do you have any new manuals and or instructions in English for the application of the varnish. If you could send this as soon as possible as an e-mail attachment to this address would be appreciated.

Thanks.

Best regards,

Patrik Dahlgren
